SHAKTI / IDENTITY SYSTEM 01

Shakti

Your people. Within reach.

A calm identity for a personal safety network.

Lekhan / Manas / Vikat / Hemanth

DBIT / VTU 1BCP308 Community Project

Strength, held with care.

The shield creates a protective boundary.

The flame carries agency, energy and resolve.

It is a symbol of support, never a rescue guarantee.

Clear space = one quarter of mark width.

Minimum: mark 24 px; full logo 144 px wide.

Primary / ink / reverse

02 / COLOUR WITH MEANING

Indigo is identity. Rose is SOS.

Indigo #4F46E5

Brand and actions

Night #070B14

Primary canvas

Cloud #F8FAFC

Text and light canvas

Lilac #A5B4FC

Secondary accents

Emerald #10B981

Safe / checked in

Rose #E11D48

Emergency only

Poppins Bold

Clear. Calm. Human.

Nunito / readable body text and helpful detail

Say what happens next.

Use: "Start a walk", "Add a trusted contact", "SMS handed off".

Avoid: "Always safe", "Guaranteed rescue", "Police notified".

Explain cellular and internet requirements in nearby product copy.

Use real screenshots and measured results in release materials.

Web keeps its Bricolage Grotesque / Instrument Sans pairing.

04 / USE THE SYSTEM

One identity. Every touchpoint.

01 **Logo masters**

SVG paths and transparent PNGs; dark, light and one-colour variants.

02 **Android and store**

512 px Play icon; 1024 x 500 feature graphic; adaptive icon layers.

03 **Community and social**

Square, portrait, story, share card, poster and presentation covers.

04 **Editable sources**

All geometry, copy and layouts rebuild from tools/build_brand.py.

No Play badge, fabricated app screenshots or launch claims are included.
